# Product 6-Pack

## Products to enjoy our winter wonderland

### ICE ARMOR INSULATED BIBS

Staying warm is one of the most important elements to enjoying our winter wonderland here in Wisconsin. And these bibs will help you do just that. Fully insulated with 120 grams of warmth. Windproof, waterproof and breathable to protect against the elements. Tough exterior with padded knees perfect for ice fishing. Comfortable with soft lining, adjustable waist strap and accessory pockets. It even has fleece-lined hand warmer pockets. (\$149.99)

### 8-INCH ION X ELECTRIC ICE AUGER

If you don't like worrying about fuel for your ice auger, don't worry; this electric auger has you covered. Redesigned for extra hours and increased precision, this 40V, 5 amp-hour battery allows you to cut up to 1600 inches of ice on a single charge. That's an increase of 60% and more than most ice fishermen need in a day. Then, take it home and charge it for next time and you're ready to go. Smooth cutting with innovative cast bottom. (\$649.99)

### UNIVERSAL SURVIVAL SNARING KIT

Everything you need to get started with snaring or to have them along for survival, just in case. Six individual small game snares, six raccoon- to beaver-sized snares, two coyote snares, two wolf and wild hog snares. Plus, a snare setting DVD and wire. All weighing under 3.5 pounds to take along on any outdoor adventure. These snares are built with a quick connect end, which allows you to fasten to any object for a drag without the need for rebar. (\$45.00)
