## Product 6-Pack

*A variety of great products to gear up for spring*

### CLEANSHOT 12 GAUGE GUN BORE CLEANER

Closing up for the season and want to make sure your barrel is clean? Give this a try. Designed to "clean your gun in an instant," it's perfect for field cleaning. This 12-gauge, 2 3/4 inch shell is filled with composite cleaning pads and a squeegee that wipes the bore clean. High-performance primer and highly-oxidized propellant creates a clean burn with minimal deposits. Works for both smooth and rifled bores. (\$8.99)

### TRAC FISHING BAROMETER

Anyone that has spent any time outdoors knows that the right pressure can get animals moving and fish biting, yet it's something that many don't watch very closely. This simple device can change that and lead to more success in the field. Easy to calibrate to your location. Adjustable indicator to watch pressure change. 3.5 inches with plastic housing and lanyard. Colors indicate best pressures to take advantage of fishing and hunting opportunities. (\$19.95)
